vertex

Discover the new Vertex drawer, with an elegant extra fine design and straight lines, perfect to equip your furniture following the latest trends in design and functionality.

Characteristics

It stands out for its three telescopic runner slides, of reduced height, offering great stability and soft sliding of the drawer. It can support 40 kg and with push to open or soft close and a cushioned pull-out stopper.

The drawer's ribs are available in a white satin finish (RAL9003) or anthracite grey (RAL7043) in four different heights (83, 93, 131 and 178 mm) and different depths.
