ORSY® SCANNER:

How it works

Step 1

- Unpack and plug in
- Simple USB plug in design which is used for both data transfer and to keep the internal rechargeable battery charged so ORSY® scanner is always ready for use

Step 2

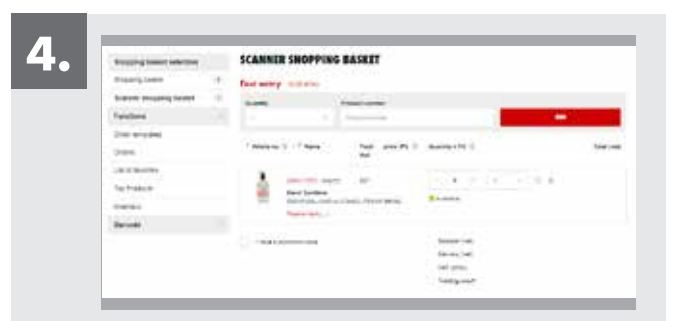

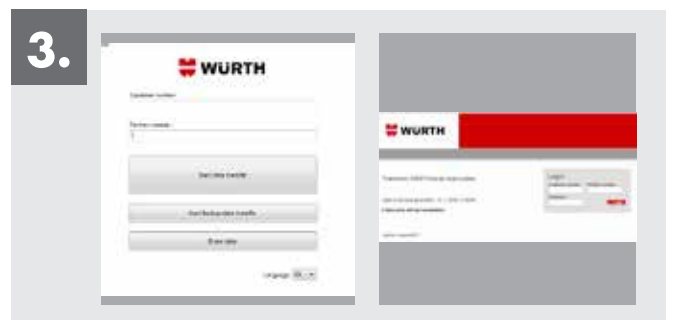

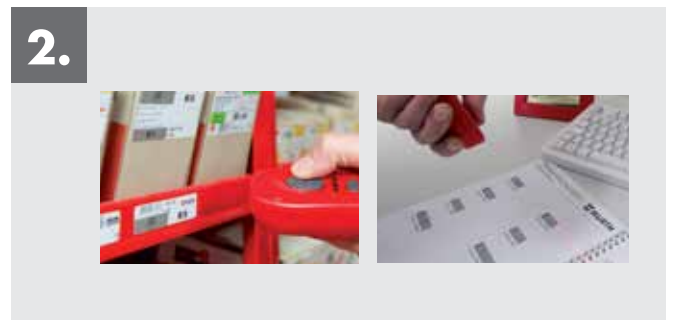

- Press the + button to turn on
- The scanner will beep twice
- Press and hold the + button to scan barcodes, a beep will follow after a successful scan
- Simple and easy one button operation means you can use the ORSY® scanner to scan the ORSY® racking shelf barcodes, the products themselves, or we can supply a booklet containing easy reference barcodes for quick and efficient ordering.

Step 3

- Dock the scanner in the desk dock
- Press the + button to upload the scanned articles into eShop
- You will be prompted to enter your login details to enter the eShop

Step 4

- Place order or create inventory list
- As well as a quick and easy ordering tool you can use ORSY® scanner to create an inventory list stock taking of Würth product.

ORSY® SCANNER: Your benefits at a glance

Simple, ergonomic and rechargeable

- Light and easy to handle, the scanner has just two buttons to add or remove products to the list
- ORSY® scanner charges via USB when docked so it's always ready to use

Visual and audible scan confirmation

- Scanning is confirmed with a beep and light to minimise the risk of errors even in noisy environments

Quick and easy ordering

- Simply dock and go; with no searching or typing, your articles are quickly loaded into the eShop with a single button press

Cost centre assignment

- For improved overview and transparency, if desired, the ORSY® scanner can also be adapted to your internal processes, for example by assigning cost centres / order numbers, part numbers or delivery addresses

Simple stock taking

- As well as a quick and easy ordering tool you can use ORSY® scanner to create an inventory list making your stock taking a painless process

Inventory with the ORSY® Scanner

Inventorying can be as easy as orders with the ORSY® scanner. To do this, follow steps 1 to 2 as described below.

1. In the shopping cart you can click on the INVENTORY SYMBOL create an inventory.

2. The inventory produced in this way is stored permanently in the Würth online shop and is always available for export in various formats.

SEE WHAT OUR CUSTOMERS SAY

"From implementing the Würth ORSY® scan and ORSY® shelving we have seen vast savings in spending on fast moving consumable goods."

The ORSY® shelving has utilized the space on the factory floor and the ORSY® scan speeds up the reordering process of carrying out orders which in turn allows the stores personal to get on with day to day running of a fast paced manufacturing factory store."
